8 March 1957

Dear Henry,

Some time ago we entered into Letter Contract AL-30-56 for 3 Special Film Projectors. Technical difficulties developed and the contract was terminated on 31 August 1956. Subsequent discussions indicate the advisability of reinstating this contract for the same end item but with a more defined scope. As of the date of initial termination the contractor claimed \$7665.17. We would like you to audit this claim as soon as possible. We have the residual inventory.

Attached you will find a copy of the settlement proposal submitted by the contractor. Arrangements for the audit will be made by this office.

George
